

TURBOCOURT

Relax. We're in Your Court

**Courts Across The Country
Expand Partnerships with
TurboCourt, The Award-Winning
e-Court Platform**

"Integrating existing legacy systems with new vendor products can be very challenging. The effort, attention to detail and flexibility demonstrated by Intresys when integrating TurboCourt e-Filing Solution into our e-Court platform proved to be very effective."

- Peter Croteau, Chief Technology Officer
New Hampshire Judicial Branch

Greetings!

As 2014 closes, TurboCourt is full steam ahead, adding new e-Court products and court clients across the nation, enhancing access to justice and increasing staff productivity. And there's even more coming soon. Below is a partial list of jurisdictions that have recently expanded or are actively expanding their TurboCourt solution. When Courts choose to expand their TurboCourt platform, we know we've done our job right, providing a best-of-breed e-Court solution to our valued clients and their constituents.

Thank you for the opportunity to collaborate with your court and we look forward to developing more business relationships with the TurboCourt Solution in 2015.

Best Regards,

Tania Wasser, Co-Founder & CEO, Intresys

P.S. Are you attending e-Courts 2014 in Las Vegas next week? Come visit us at **Booth #107**. We'll have some exciting giveaways, raffle prize and answers to your questions about e-Court services.
